This is in response to the request for additional information as requested in the FEC letter dated January 19, 2012 for the Amended June Monthly Report 5/1/2011-5/31/2011.

In response to Finding 1:

Schedule B of the report did not disclose itemized reimbursement to an individual. In this instance it was determined that the reimbursement amount did not show up due to a data entry error. This has been corrected and was properly filed on the amendment.

In response to Finding 2:

MCRP was asked to include a brief description to clarify Political Consulting & Event Expense. This has been corrected and brief statements describing the purpose have been included in the amendment.

In response to Finding 3:

MCRP was asked to clarify if Booth Rental for Voter Registration were made towards a specific federal candidate. All of the Booth Rental for Voter Registration was not made on behalf of specifically identified candidates. Form 99 Memo Text has been included with the amendment explaining this.

In response to Finding 4:

Schedule H4 discloses disbursements using the incorrect fixed percentage amounts. This has been corrected and has been included in the amendment.

In response to Finding 5:

Schedule H4 discloses incorrect total year to date amounts for allocated activity using the incorrect fixed percentage amounts. This has been corrected and has been included in the amendment.

In response to Finding 6:

MCRP was asked to clarify if FEA 100% Federal: Fundraising on Schedule B were made towards a specific federal candidate. All of the FEA 100% Federal: Fundraising was not made on behalf of specifically identified candidates. A note has been included on the amendment.
